SURROUNDEL BY MYSTERY!

A Great Mistake.

A recont discovery is that headache, dizziness, d. liness, confusion of the mind, etc., are due to derangement of the nerve centers which supply the brain with nerre force; that indigestion, dyspepsia, neuralgia, wind in stomach, etc., arise from the derangement of the nerve centers supplying these or-

ment of the nerve centers supplying these organs with nerve fluid or force. This is like wise true of many diseases of the heart and lungs. The nerve system is like a telegraph system, as will be seen by the accompanying rut. The little white lines are the nerves which convey the nerve force from the nerve centers to every part of the body, just as the electric current is conveyed along the telegraph whres to every which telegraph where to every exation, harm or small. Ordinary physicians fail tregard this fact instead of treating the new every of the discussion there arising the room. Franklin Miles,

arising ther rom they treat the part affected. M. D., LL.B., the highly celebrated specialist and

specialist and student of nervous diseases, and author of many noted treatless of the intersubject, long since realized the truth of the first stement, and his Restorative Nervine is prepared on that principle. Its success is curing all diseases arising from derange is int of the nervous system is wonderful, as the thousands of unsolicited testimonials in possession of the company manufacturing the remedy amply prove.

Dr. Miles' Restorative Nervine is a reliable remedy for all nervous diseases, such as headache, nervous debility, prostration, sle plessness, di ziness hysteria, sexual debility, Br. Vitus dance, epilepsy, etc. It is said by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., Elkhart, Ind., on receipt of price, 31 per bottle, six bottles for 35, express prepaid.

Restorative Nervine positively contains no opiates or dangerous drugs.
